Stacked Stone

Del Norte Stacked Stone

Adding the beauty of stone doesn't get any *easier*.

Predictable shapes, grout-free installation and the convenience of panels, Stacked Stone is a DIYer's dream.

Visually, Stacked Stone features stones ranging from ½" to 3" high, giving the appearance of multiple layers of cut stone.

INSTALLATION

Sunset Stone's Manufactured Stone Veneer installation involves preparing the surface, applying mortar, and then placing the stone veneer. The installation process may vary depending on the type of veneer and the application. Local building codes and professional guidance should be consulted for specific installation requirements. For more information, please reach out to a Mutual Materials sales representative.
